AMENDMENT

Sir:

In response to the Office Action dated January 29, 2001, Applicants respectfully submit the following for entry in the above-identified application.

IN THE CLAIMS:

Please amend Claims 1, 18 and 19 as follows:

1. (Amended) A composition of matter comprising:
- (a) a metal powder,
  - (b) a solder powder which melts at lower temperature than the metal powder,
  - (c) a polymer, or a monomer which is polymerisable to yield a polymer, said polymer being crosslinkable under the action of a chemical cross-linking agent,
